

Watcher

Photograph Collection Website

Watcher is a website focus on MSU and East Lansing's beautiful scenery. This website will collect as many as possible beautiful photograph.

We collect photograph for MSU and East Lansing. Each photo will contain a short story about the photograph so that people can find out the beautiful of MSU and East Lansing. Each photograph also will have a specific location via Google Map, therefor people can explore the scenery by themselves. Watcher aims to show people, who live in East Lansing, what is going on around them. It also works for new student to explore new campus. In addition, it can be social media website for MSU campus.
